

### Chemistry Current Event Extra Credit Assignment

Find a newspaper or scientific article dealing with a current event that has to do with Chemistry. The article must be at least 3 paragraphs long in order to use it. After reading the article Write a 1 page, typed, double spaced, 12 point font paper about the article. The title should only be one line and should include your name and a basic title dealing with your article. Do not include anything else for the title in an attempt to take up space. YOU MUST ATTACH THE ORIGINAL ARTICLE TO YOUR PAPER. Since this is an extra credit assignment it must be completed exactly as the instructions say, and no partial assignments will be accepted. **THIS IS DUE Tuesday May 27 BY 7:45am.** No late work will be accepted. This assignment will move your grade up one step (example a B to a B+). If you have an F it will raise your grade 4%.
